Road Closure Due to Flooding

SPRINGFIELD – The Illinois Department of Transportation (IDOT) announced today that a section of Illinois Route 29, in Rochester, Illinois, will be closed, due to flooding, on Wednesday, Dec. 30.

Starting at 2:30 p.m., Illinois Route 29 will be closed from Hilltop Road to Taft Drive. The closed section is 4 miles east of Springfield.

Motorists should seek alternate routes.

Please do not attempt to drive through a flooded section of road. It doesn't take much water to carry your vehicle away.
